The 14-Day Love Your Husband Challenge

FOR CATHOLIC WIVES

Day 14

Daily Mindset Refelction:

Remember when we were younger? Remember when laughter came easier and life felt lighter? Remember how easy it was to have fun? To be silly? Remember how simple it was to flirt with him? To cuddle? To make-out-for-like-EVER? Yes, those days were awesome! But now we are older....so much more....mature.....serious.....responsible. But it doesn't always have to be that way. We can dig deep ladies. We can find reasons to laugh-out-load (LOL) again. We can re-ignite that spark. We can flirt like it's coming back in style. Yes.....we.....can! Let's make it happen today!

Daily Challenge: What does he enjoy?

What is his favorite food, beverage, dessert or activity? Make, purchase or suprise him with something special that he really enjoys. It will let him know that you were thinking of him - very intentionally.

Message Ideas: Send him at least one of these messages today!

❤️ If I had a bead for every time I've thought of you today....I'd have a joyful mystery.

❤️ I love us.

🔥 Roses are red, violets are blue, I think you're sexy and I absolutley want YOU!

Prayer: For his hope in the future, written by Elizabeth Saenz, Community Member

Dear Lord, You have said, "For I know well the plans I have in mind for you—plans for your welfare and not for woe, so as to give you a future of hope" (Jer 29:11). Please bless my husband as he faces the future you have planned for him. Help him to experience peace in every step forward, and hope in every step back. Give him the grace to know that You are there in each moment, and that whatever challenges await him, You will be orchestrating the whole for his sanctification. Give him the strength to keep the long game in mind, and remind him daily that the ultimate destination is not earthly, but eternal. I ask this in the Name of Your Son, Jesus Christ. Amen.

Podcast Episode #13: Having a little fun

Come listen to this episode to find out what Sterling thinks is fun and how we can, as moms, get more fun into our lives!
